

WORKSHOP ON VEDANTIC INQUIRY

Learn how to probe the depths of your thinking
through group discussions and study

*Study group
is a forum for
discussion
and
digestion of
ideas, so
that our
knowledge
becomes free
of doubts.*

*~ Swami
Tejomayananda*

Saturday, September 15, 2018: 8:45 am – 1:00 pm

*“Mere listening to my talks
will not add to your beauty.*

*These ideas are to be
reflected upon deeply and
digested slowly. This
process is hastened only
when you discuss what you
have studied with others.”*
